Call for Participation

We invite you to join us in **12th International Conference on Signal Processing (CSIP 2025)**

This conference will provide an excellent international forum for sharing knowledge and results in theory, methodology and applications of Signal and Image Processing. The Conference looks for significant contributions to all major fields of the Signal and Image Processing in theoretical and practical aspects. The aim of the conference is to provide a platform to the researchers and practitioners from both academia as well as industry to meet and share cutting-edge development in the field.

Highlights of CSIP 2025 includes:

- 11th International Conference on VLSI and Applications (VLSIA 2025)
- 5th International Conference on Advances in Computing & Information Technologies (CACIT 2025)
- 6th International Conference on Big Data, Machine Learning and IoT (BMLI 2025)
- 16th International Conference on Internet Engineering & Web Services (InWeS 2025)
- 9th International Conference on Networks and Security (NSEC 2025)
- 3rd International Conference on Education & Information Technology (EDUIT 2025)
- 2nd International Conference on NLP, Artificial Intelligence, Machine Learning and Applications (NLAIM 2025)
